

# 60kW modular energy storage unit used for emergency rescue

## 60kW modular energy storage unit used for emergency rescue

---

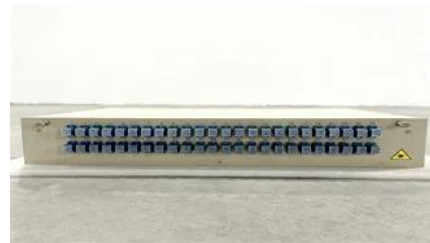

### 60kW Intelligent Photovoltaic Energy Storage Container for

The modular design allows for easy expansion, with the option to expand the battery storage system by 100 - 500kwh, making our energy storage container perfect for meeting growing energy demands.

### CTS 60KW 120KW Energy Storage Emergency Road

The mobile charging station system integrates lithium batteries and charging

### Emergency Mobile DC EV Charging Station (75kWh/60kW) Road Rescue

Built for road rescue teams, fleet operators, and public service providers, this 65kWh/60kW mobile charging station delivers fast DC charging to stranded EVs, ensuring minimal downtime for buses,

### 65KWH/60KW Mobile Electric Car Charger for EV Rescue

The 60kw mobile car charging station features a robust 65kwh LiFePO4 battery and provides a 60kw DC fast charging output, supporting multiple standards like CCS1, CCS2, and CHAdeMO.

## **CTS 60KW 120KW Energy Storage Emergency Road Rescue DC**

The mobile charging station system integrates lithium batteries and charging piles, which are used for emergency rescue of electric vehicles on the road. It is equipped with energy storage batteries with

### [Energy Storage Emergency Road Rescue DC Fast Charging Station](#)

- Charging Efficiency: Maximum output of 60kW power, replenishing 400 kilometers of range in 1 hour (varies by vehicle model). - Range Guarantee: A single charge can support 60KW electric vehicles to

## **CTS 60KW 120KW Energy Storage Emergency Road Rescue DC**

CTS 60KW/120KW energy storage fast charging station enables rapid EV rescue & roadside charging. 141-161kWh capacity, 0-250A output, IP54 rated. Trusted by global fleets.

### [EV Mobile Charging Station 65kWh 60kW Rescue Car Energy Storage](#)

The mobile charging station system integrates lithium batteries and charging piles, which are used for emergency rescue of electric vehicles on the road. It is equipped with energy storage batteries with

### [60kw EV Mobile Power Storage Charging Station Road Emergency Rescue](#)

Mobile ev charger system, can be installed on ev

self-contained VAN, or a towed trailer to provide roadside or remote electric vehicle rescue when the battery runs out, and on-demanding charging to

### Heating & Cooling Mobile Energy Storage Charging System (for rescue

Heating & Cooling Mobile Energy Storage Charging System (for rescue services)  
75kwh/60kw

### **60kw EV Mobile Power Storage Charging Station Road**

Mobile ev charger system, can be installed on ev self-contained
