

DC battery cabinet set quota

Support Customized Product

Overview

See prices and request a quote instantly. Select 208V for standard commercial or 480V for heavy industrial applications. Compare Sol-Ark, Deka, and Deye storage by efficiency, depth of discharge, and environment. Scale from 30 kW to 360+ kW with live pricing on Sol-Ark hybrid . HindlePower's Battery Cabinet is designed to maximize DC system performance and battery life, saving YOU time and money. The EPIC series battery cabinet offers a NEMA 3R and NEMA 1 modular design, with built in intelligence, will safely house any combination of batteries, chargers, DC distribution. Our battery system is focused on enhanced scalability by integrating to DC battery combiner. ?
