

# Energy company uses small-scale energy storage battery cabinets in Abu Dhabi

## Overview

---

Masdar has announced preferred suppliers and contractors for its 5.2GW solar PV and 19GWh battery storage project in Abu Dhabi, United Arab Emirates (UAE). A government-affiliated energy company in Abu Dhabi aiming to implement large-scale energy storage solutions to support the emirate's renewable energy expansion and grid stability. Decarbonization and Sustainability: Aligns with Abu Dhabi's Energy & Water Efficiency Strategy and Net Zero goals, supporting emissions reduction. The 19GWh battery storage facility will enable seamless integration of solar power into the grid. (Representational image) The Desert Photo A. The record-breaking solar power and battery storage project will create over 10,000 new jobs, driving innovation and economic growth Abu Dhabi Future Energy Company PJSC - Masdar and Emirates Water and Electricity Company (EWEC) announced today the launch of the world's first large-scale 'round the clock' project. In the presence of President His Highness Sheikh Mohamed bin Zayed Al Nahyan, Abu Dhabi Future Energy Company PJSC - Masdar and Emirates Water and Electricity Company (EWEC) today announced the launch of the world's first large-scale 'round the clock' gigascale project, combining solar power and .
