

Generator container photovoltaic company

Overview

We make mobile solar containers easy to transport, install and use. That is why we have developed a mobile photovoltaic system with the aim of achieving maximum use of solar . LZY offers large, compact, transportable, and rapidly deployable solar storage containers for reliable energy anywhere. It's why thousands of American farms & ranches trust RPS. The container is equipped with foldable high-efficiency solar panels, holding 168-336 panels that deliver 50-168 kWp of power. The efficient hydraulic system helps quickly prepare the Solar to work.
