

Lithium battery BMS business license

Overview

Officially filed on November 16, 2021, this corporation is recognized under the document number 4811374. Governed by the California Secretary of State, the corporation maintains an active filing status. The Registered Agent on file for this company is Anjani Gangineni and is located at 130 Descanso Drive Unit 304, San Jose, CA . The n-BMS is the next generation scalable BMS for high voltage applications. Each CMU manages up to 12 voltage channels in series and thus, the n-BMS is rated to manage up to 120V. Voltaplex is proud to design and manufacture battery management systems (BMS) that optimize lithium-ion battery packs' safety, reliability, and performance. We engineer our solutions for seamless integration across various industries, including robotics, automotive, and medical devices. When you need a BMS for your application, Voltaplex has the solution. Lithium-ion batteries have revolutionized modern technology, powering everything from smartphones and electric vehicles to large-scale energy storage systems. Lithium battery BMS business license

BMS for Lithium-Ion Battery: Essential Guide

Discover the crucial role of a BMS for lithium-ion batteries in ensuring safety, performance, and longevity. Learn about standard vs smart BMS options.

n-BMS(TM) Battery Management System (BMS)

The n-BMS can be configured through the licensed n-BMS CREATOR software, which enables the battery integrator to create a unique battery design and tailor it specifically for their needs.

BMS for Lithium-Ion Batteries: The Essential Guide to Battery

Comprehensive guide to BMS for lithium-ion batteries. Learn battery management system functions, safety features, and protection mechanisms in 2025.

LITHIUM BMS INC in San Jose, CA , Company Info & Reviews

Discover Company Info on LITHIUM BMS INC in San Jose, CA, such as Contacts, Addresses, Reviews, and Registered Agent.

Lithium Battery BMS: Battery

Management System

The Battery Management System, known as the BMS, is a lithium battery's brain. If properly designed, it can perform countless functions, from balancing the battery, to intelligently managing its safety and

Lithium Bms Inc San Jose, CA

Lithium Bms Inc, a General Corporation, is a business entity located in San Jose, CA. Officially filed on November 16, 2021, this corporation is recognized under the document number
