

Off-grid solar home power generation system

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three white, stacked battery units on wheels, each with a digital display and control panel. The units are arranged in a row, with the 20 Kwh unit on the left, the 30 Kwh unit in the middle, and the 50 Kwh unit on the right. The background shows a house and a snowy mountain range. The text highlights the system's efficiency and communication capabilities, as well as the robustness of the battery shells and the availability of BMS customization.
