

Oman Energy Storage Enterprise Project

Overview

Nama Power and Water Procurement (PWP) has signed an agreement for the development of the Sultanate of Oman's first utility-scale solar and battery storage project with a consortium led by Abu Dhabi Future Energy Company PJSC, also known as Masdar. The consortium also includes Al Khadra Partners . Paul Smith, SVP Global Sales - Energy Dome, pictured at the company's stall at the Oman Climate Week Expo that opened in Muscat on February 24, 2025. The multi-day expo has been organised by Omani events firm Birba with the support of the Environment Authoiry. With solar and wind projects booming, the Sultanate faces a classic " infrastructures in the last 50 years. Consequently,there is need for the electricity se cant transformation around the globe. Renewable energy sources (RES) are replacing their conve . Oman's Authority for Public Services Regulation (APSR) has outlined a forward-looking roadmap to strengthen the utilities sector, announcing three strategic projects and regulatory enhancements. The agreements will build on a landmark MoU signed in July 2023 by Energy .
