

Solar folding container outdoor power supply returned to factory

Overview

The Austrian energy company SolarCont has developed a mobile solar container that stores foldable photovoltaic panels for portable green energy anywhere. The Solarfold photovoltaic container can be used anywhere and is . Solarfold allows you to generate electricity where it's needed, and where it pays to do so. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever. After an easy installation, the system can be used almost anywhere.
