

# **West Africa Solar Container Fast Charging**

## Overview

---

West Africa Container Terminal (WACT) has signed a solar lease agreement with Starsight Energy to provide 1.2 GW hours of solar electricity each year over a 15-year period, which will see 30% of the terminal's electricity switch from diesel generators to renewable sources this year. The Terminal is located within the Oil and Gas Free Zone at the Onne Port in Nigeria's Rivers State. Read more about Solar capacity ratings.
